Attention Local 111 Members

Unifor Local 111 is now accepting applications for membership participation with:

Unifor Local 111 Grievance Committee

If you are interested in participating as a Grievance Committee Member, the committee Chair is now accepting applications for consideration for **Two (2) Member** positions for **Three (3) Year Term ending July 01, 2022**. Please forward an Email to:

grievit111@outlook.com

Detailing:

- 1) Your Name
- 2) Your Property
- 3) Your Experience as a Member Participating in Unifor Local 111
- 4) A Brief description about what you think the Grievance Committee does
- 5) A Brief description about what you think you might get out of being part of the Grievance Committee
- 6) A Brief description about your current commitments to the Local (were you elected to any property or local committees)
- 7) How you are to be contacted
- 8) Please also provide if someone is sponsoring you to apply (ie; Local Officer, Property Rep, CJS).

Unifor Local 111 Grievance Committee is currently being re-vamped and re-structured and is looking for two members who wish to put in the time and give a commitment towards reviewing and recommending grievances for further process within the Local's Grievance handling procedure. This is an opportunity for a new union activist to get some intensive training and education on grievance handling, to acquire the technical skill of grievance preparation and presentation, to participate positively in their Local, to make a difference and to show solidarity to the membership and the leadership of the Local. All applicants will be considered carefully. No experience is necessary but a willingness to commit to a **three (3) year term** and some time as necessary; which may include participating in union educational courses and PEL's.

Applications will be accepted until August 9, 2019; 04:30 PM

In Solidarity,
