

Attention ALL Local 111 Members

Air-Conditioning (A/C) Committee

Local 111 members,

The new A/C Committee is:

BTC – Korby Gale
HTC – JoAnne Kandler
PTC – Zoya Jones
RTC – James Huenefeld
STC – Robi Clesson
VTC – Balkar Sandhu

The committee's purpose is to try and end the suffering some Operators must endure during a heatwave. The committee will bring forward ideas from the membership to senior management on a regular basis. This committee has my full support.

In Solidarity,

Balbir Mann
