Attention Local 111 Members

January 22, 2024

Local 111 members,

We are disappointed that CMBC and CUPE Local 4500 were unable to reach an agreement this morning at 2AM.

As Local 111 is not on strike we are currently unable to collect strike benefits, but we are in discussions to relieve some of the wage loss and will know more by end of week.

There is no expectation to show up today, January 22.

We know everyone is upset about sacrificing possibly two days worth of wages, as well as the lack of information.

The Executive shares those feelings and are currently involved in many discussions happening at the Labour Board and we hope to have more answers soon.

Thank you for your solidarity,
