Joint Bargaining Bulletin #18

Created: July 16, 2026

Dear Members of Unifor Locals 2200 & 111,

We would like to provide you with an update on the current status of collective bargaining.

First and foremost, we extend our sincere appreciation to everyone who participated in the recent ratification process. Your engagement and feedback have been invaluable in shaping our bargaining priorities and strengthening our position at the negotiating table.

We will be meeting with the employer and the mediator during the week of July 20, 2026, as we continue working toward a fair and equitable collective agreement on behalf of our members.

We also wish to advise members that any future ratification vote will be conducted electronically. Additional details regarding the voting process will be communicated as soon as they become available.

We remain committed to keeping members informed and will provide another update following the conclusion of mediation.

Thank you for your continued patience, support, and solidarity throughout this process.

In Solidarity,

Unifor Local 111 & 2200 Joint Bargaining Committee
